

SELF-EVALUATION

“The gospel is presented, encouragement is provided, events are sponsored, a full calendar of activities is maintained, and the hurting are helped . . . nothing wrong with any of this. **But they must not become a replacement for instruction from the Book. Well-fed sheep have a greater tendency to remain healthy sheep. Hungry and emaciated sheep are easy prey to the cults, not to mention their inability to stand up under the numerous battles with life’s trials**” (C. Swindoll in *Rise and Shine*).
